## **INTERIM CONDENSED CONSOLIDATED FINANCIAL STATEMENTS**

**30 SEPTEMBER 2022 (UNAUDITED)**

**REPORT ON REVIEW OF INTERIM CONDENSED CONSOLIDATED FINANCIAL STATEMENTS  
TO THE BOARD OF DIRECTORS OF EMIRATES DRIVING COMPANY P.J.S.C.**

*Introduction*

We have reviewed the accompanying interim condensed consolidated statement of financial position of Emirates Driving Company P.J.S.C. ("the Company") and its subsidiary (together "the Group") as at 30 September 2022 and the related interim condensed consolidated statements of profit or loss and comprehensive income for the three and nine month periods then ended and the interim condensed consolidated statements of changes in equity and cash flows for the nine month period then ended and explanatory notes. Management is responsible for the preparation and fair presentation of these interim condensed consolidated financial statements in accordance with International Accounting Standard 34, Interim Financial Reporting ("IAS 34"). Our responsibility is to express a conclusion on these interim condensed consolidated financial statements based on our review.

*Scope of review*

We conducted our review in accordance with the International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

*Other matter*

The consolidated financial statements of the Group for the year ended 31 December 2021 were audited by another auditor who expressed an unmodified opinion on those financial statements on 22 January 2022. The interim condensed consolidated financial statements of the Group for the nine month period ended 30 September 2021 were reviewed by another auditor who expressed an unmodified conclusion on those financial statements on 14 October 2021.

*Conclusion*

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial statements of the Group are not prepared, in all material respects, in accordance with IAS 34.
